Welcome to Hope Gospel Mission!

It's a privilege to be able to help you.

There's meaningful, life-changing help for anyone who comes to our doors seeking a new way to live. We understand that you may be at a crossroads in your life and unsure of anything. You may have many questions on life, family, addictions, your purpose in this world, and more. Our staff is here for you.

Hope Gospel Mission is a local rescue mission in Eau Claire, Wisconsin. We offer you our help, free of charge, thanks to financial donations from our caring community, the help of many volunteers, and funds raised by our businesses.

As a Mission, we want to give you a hand up in life. We'll introduce you to our life-changing programs. You may be interested in just our Short Stay Program to have a place to stay for a short time while you are looking for permanent housing or employment.

You may be interested in our long-term Renewed Hope Program where a team of staff and volunteers will help you create a fresh start. The purpose of this program is to prepare you for successful, independent living where you have addressed and have learned to overcome the problems that have been holding you back. In this program we'll provide you with help in all of life's major areas, such as addictions, work-related skills and issues, employment assistance, life skills, personal

growth, financial guidance, academics, health, and more.

Because we are a gospel mission, we'll also help you spiritually. We won't force anything on you, but we'll share the joy and the hope you can have when you cast all your cares on Jesus Christ.

If you join our Renewed Hope Program, shortly after you begin programming and complete your first assessments, the program team will provide you with more specific details regarding your unique and comprehensive long-term program plan.

Once you've read this handbook and submitted your application, our resident intake staff will meet with you. We encourage you to completely read this handbook before that meeting.

Again, we welcome you to Hope Gospel Mission. We encourage you to speak with our staff with any questions.

About Us

Our Motto

Lives Rescued, Rebuilt, Renewed.

Our Vision

To see the lives of the homeless and needy transformed for the glory of God, so they can be the people that God intended them to be!

Our Mission

Hope Gospel Mission exists to offer Christ-centered, life changing help to the homeless and needy in western Wisconsin. We help them by:

- Meeting their basic needs without enabling them.
- Requiring them to work and help support themselves (Self sufficiency is an expected outcome for residents in the Renewed Hope Program and they will begin their work search during the final phase of the Renewed Hope Program).
- Providing them a safe and orderly place to stay.
- Addressing the root causes of their situation.
- Offering them a complete life change through our programs.
- Sharing with them the gospel of Jesus Christ and Biblical values.

- Involving them in local Bible-believing churches.
- Keeping them accountable for their actions.
- Showing them both care and correction.

Our Policy of Non-Discrimination

In an effort to reach all who struggle with homelessness and poverty, Hope Gospel Mission has the following policy on non-discrimination:

Hope Gospel Mission accepts single male and female residents to its facilities who are of the age of majority (18 years or older). Residents must be drug and alcohol free at time of intake and be willing to follow our policies. Given this entrance criteria, Hope Gospel Mission does not discriminate based on age, race, sex, creed, religion, sexual orientation, marital status, criminal background or type or degree of disability. Our facilities are disability-friendly, however, residents must be able to work and care for themselves and not require nursing staff.

In order to maintain a safe environment for residents, staff, and volunteers, admission of individuals with violent or certain sexual offenses are carefully screened and admission is not guaranteed.

Our Belief Statement

Hope Gospel Mission is not a church. However, we believe in the saving power of Jesus Christ and the effect the Holy Spirit can have on a person's life. Because of this belief, our programs are created with Christ at the center and Biblical principles and values throughout.

You do not have to profess to be a Christian or believe in the following statements to be involved in our programs.

However, please be aware of the basis and foundation for our programs. The statement of faith that Hope Gospel Mission Chaplains use is as follows:

- We believe in the verbal, plenary, inspiration of the Bible. We believe his word to be infallible and inerrant, our supreme authority in all matters of faith and conduct.
- We believe in one true God, the Creator of Heaven and Earth, sovereign over all, eternally existent in three persons: Father, Son, and Holy Spirit.
- We believe in God the Son, God manifest in flesh, our Lord Jesus Christ, the world's only savior.
- We believe in his pre-incarnate existence, his virgin birth, his sinless life, his vicarious death, his burial and bodily resurrection, his ascension into heaven, his present mediatorial ministry, his imminent personal return in power and glory.
- We believe in God the Holy Spirit, who convicts the world of sin, regenerates all believers, indwells them, and enables them to live holy lives of witness to our Lord Jesus Christ.
- We believe in the sinfulness of mankind. We believe that man is born separated from God and is subject to his eternal wrath and condemnation.
- We believe in the eternal salvation of every one who believes in the Lord Jesus Christ. This salvation is provided freely by God's grace through the shed blood, the sacrificial death, and the bodily resurrection of our Lord Jesus Christ. This salvation is not by our own works but is evidenced by good works once obtained.
- We believe in the eternal security of the believer. We believe that once a person is saved, he/she can never lose their salvation.
- We believe in the bodily resurrection of all the dead: believers to the full enjoyment of eternal life in heaven; unbelievers to the full condemnation of eternal death in hell.
- We believe in the local church and the importance of it in edifying and equipping the believer for the work of the ministry. Every believer should be a part of a local church, serve within, and be accountable to it.

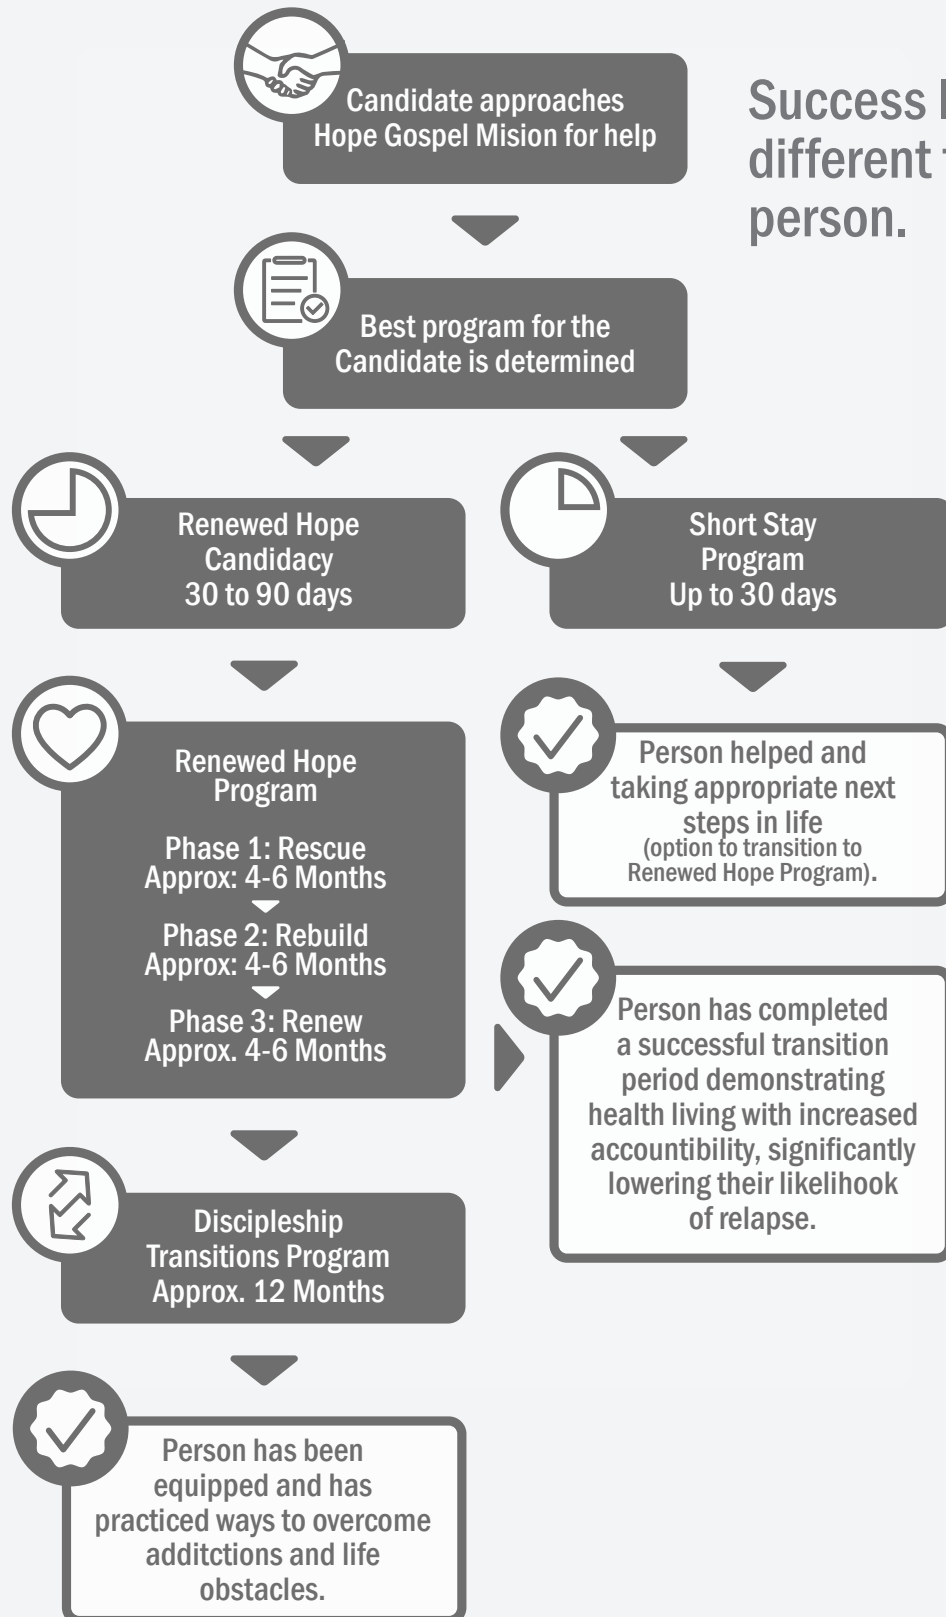

Our Programs

You should be aware that we are not just a shelter. Our goal is to not just help you for today, but for life. Our programs are designed to be holistic in their help, meaning that we'll come alongside you wherever you are in life and provide guidance and training to you in

every area of life so that you can reach your full potential. Our staff and volunteers are here to make sure that you can have the resources you need to rebuild your life. No-one is beyond hope.

Program Flowchart

Success looks different for every person.

Short Stay Program

The purpose of the Short Stay program is to provide clothing, food, and a place to sleep for individuals. Our Short Stay program isn't designed to help a person if they have addiction problems or need help with chronic problems such as long-term joblessness or homelessness.

Residents in this program may be working or looking for work, looking for safe and stable housing, and planning their next steps for after their 30 day stay is completed.

Instead, residents in our Short Stay program may stay up to 30 nights while they address short-term problems in their lives,

such as transitioning between jobs or housing situations.

Sometimes a person knows that things aren't going well in their life but they need some time to stop and think about what's going wrong and what path they want to take next. The Short Stay program also provides some time for our residents to review and consider whether they want the help of our long-term Renewed Hope Program.

Others may want to consider longer term options but need time to detoxify and stabilize prior to moving forward.

“It's been a wonderful journey. I'm paying down debt. Working with my counselor Lee has been wonderful. I'm very fortunate to get a counselor that's on your side, who sticks up for you, works with you.”
- Steve

Renewed Hope Program

Introduction

This program is designed to help candidates become all that God created them to be. Academics, addictions, finances, life skills, mental health, nutrition/fitness, spirituality, and employment are all addressed to help each person holistically build a new foundation for their fresh start.

Residents who wish to enroll into this program start out in the Renewed Hope Candidacy period during which they complete assessments to establish how they can be best helped by Hope Gospel Mission. The candidacy period is also a time for the candidate and Hope Gospel Mission to consider if it is the right decision to continue moving forward. Hope Gospel Mission will be considering how the resident is demonstrating commitment, positive attitude, and whether or not the resident is helping to sustain our intentional, faith-based, healthy, healing community.

Residents enrolled in the Renewed Hope Program are helped in 9 different areas of life. We call these “dimensions.” The program is designed so that it helps you where you most need it. A renewal counselor will be assigned to you. They’ll help you make and complete a plan for success in your life.

Academic Dimension

Addresses math, grammar, reading, writing, computer literacy, and other academic needs. If needed, you can also get your GED while at Hope and do college research and planning.

Addictions Dimension

We’ll help to equip you to deal with any addictions you have by helping you come up with healthy coping skills. You’ll take part in weekly addiction recovery group and program.

Financial Dimension

You’ll learn how to create and stick to a budget, refine your spending habits, work through Financial Peace University (a personal finance class), and learn to pay off your debt.

Life Skills Dimension

Your renewal counselor will talk with you about your happiness, work with you on medical issues, help you connect with your insurance and dental and vision needs. They’ll also connect you to any help you need with legal issues, and help you improve at working with others.

“I was ashamed of my drug use. I wouldn’t show my hands or my arms. I started reading the Bible and the staff was very compassionate. I’ve been able to move on from my addiction.”
- Loey

Residents and staff enjoying an outing to Wisconsin Dells.

Mental Health Dimension

You'll receive guidance on issues of emotions, mental health, and how to improve your thought life. We partner with outside mental health professionals as needed if appropriate for the resident.

Nutrition/Fitness Dimension

We'll work with you to determine how you can establish healthy eating habits, help keep you accountable with a diet (should you choose one), and help you to set and maintain weight loss and exercise goals.

Parenting

For our women with children's program, your child's health and well-being are very important to us. During your stay, we will provide opportunities for you to intentionally interact with your children and provide for their care. We will introduce you to curriculum, coaching, and modeling that will help you become the best parent you can be.

Spiritual Dimension

The Chaplains will connect you with a local church and a mentor as you progress in the program. They'll pray with you and for you. They organize a weekly Bible study as well.

Vocational Dimension

The vocation dimension is about how to become a good employee, find a job, and learn how to keep a job through work readiness classes.

Resident Advisers and Overnight Supervisors

Resident Advisers are available in the house during the time that residents are at home. These positions maintain our code of conduct and create an intentional, faith-based, healthy, healing community to provide a safe environment for our residents to get well. They are available to help residents navigate life at Hope Gospel Mission or assist with needs residents may have inside their home.

How long does it take?

This program is not based on length of time. Instead, it is based on reaching goals. Different people have different goals, and some reach them faster or slower than others. Depending on needs, personal goals, and pace, a resident usually takes 12 to 18 months to complete this program.

The Program Culture

At Hope Gospel Mission, residents share the responsibility of maintaining an intentional, faith-based, healthy, healing community. What does this mean? Let's look at each of those words for an explanation.

Intentional

Wellness doesn't happen accidentally. Each resident sets daily goals for themselves and has forward movement on all their renewal plans each month. A resident needs to know that this is not a place to hang out; it's a place to reach goals, move forward, and become the person God created them to be.

Faith-Based

Hope Gospel Mission maintains a Christian environment as part of the program culture. A resident does not have to be a Christian to join our program, nor do they need to be a Christian to complete the program. At no point must they believe what Hope Gospel Mission believes. However, residents choosing to participate in this program agree to assist in maintaining this environment for those who do.

Healthy

Residents joining this program agree to maintain an environment free from harassment and teasing. All residents agree to not complain and gossip among each other. Instead, residents will work to identify and invest in healthy relationships, as well as identify and protect themselves from unhealthy relationships. Forgiveness, tolerance, and patience will help to make this environment happy and healthy.

Healing

We understand that many people staying with us have come from hard places. Hope Gospel Mission maintains an environment that is safe for people to heal emotionally, mentally, spiritually, and physically. Any verbal or physical abuse is not tolerated. Instead, residents joining this program agree to be part of the support network that helps other residents grow and feel safe. A safe environment also means that residents will decline to keep secrets

and hide for each other when someone is involved in behavior that is not healthy, or even harmful.

Community

Community programming only works if the whole community is giving to each other, not just taking what they need. Living in community allows residents to support and care for each other, improving their odds for success

Phases

The Renewed Hope Program consists of three phases, each with its own goals. As your Renewal Counselor meets with you, you'll develop a plan together to overcome the challenges that have been holding you back in life.

Phase One (Rescue) is focused on getting started and moving forward.

Phase Two (Rebuild) is focused on rebuilding the foundations of your life, such as budgeting, how to be a good employee, or developing healthy coping skills when life

doesn't go as planned. This phase has a heavy emphasis on addressing the addictions, root issues, and other struggles that brought the resident to Hope Gospel Mission.

Phase Three (Renewal) is all about practicing these new skills and preparing to use them outside the program. Completion of the Renewed Hope Program is not based on the amount of time spent in the program, it's based on how well the resident is consistently demonstrating the healthy behaviors and outcomes they've identified in their Renewal Plan. In this phase, residents should be displaying and practicing a solid understanding of what they've learned in the program. Phase three is when the resident begins their work search, and begins to plan their transition out of Hope Gospel Mission.

Testimonials

Quotes from current & former residents of the Mission.

“Everything was conditional from the people who were in my life before. Now I have unconditional love from people. They just want to be a part of my life because they want to see me do well. I keep seeing myself growing and growing. I just celebrated six months of sobriety. My mind is healing, my body is healing. I’m excited about the person I’m going to be.”

- Maggie

“Before I came to the Mission, I didn’t have any support when it came to being sober. If I wasn’t using, they didn’t really want me around... coming here has been awesome because I have people who want to see me do well. I’ve learned that who I used to be can’t define me anymore. I’m not classified as an addict any longer, and I’m so much happier.”

- Heather

“I’ve learned a lot, and I feel like I’m ready to start life again. I hope I can reach out to people the way others here reached out to me. To have someone willing to guide you along the way, it’s definitely helpful. I don’t know where I’d be without this program, I really don’t. Probably in prison or dead. “Thank you” doesn’t even begin to say how thankful I am.”

- Matthew

“I just love this place, I love the people around here. It’s just awesome, I mean, it’s not fast, it’s slow and people take time. The people ain’t fake. To guys coming into the program I would say: if you’re coming in here be ready because it’s going to change your life. And it’s going to be a good change. When you come here it might be a little hard, but it’s going to be worth it. It’s totally worth it.”

- Rob

“It was complete torture when I was using drugs because I knew I should be somewhere else doing something else. I knew the life I was living was wrong, and I knew God had a plan for me, but I just couldn’t see it. Now I can see it, and I know that I can do this! I am worthy because God paid a ransom for me.”

- Carolyn

“Hope Gospel Mission has helped me more than I can ever express. They took me in when I was at my lowest point in my life and are letting me mentor other people and work beside them at the thrift store – people who struggle with the same issues I had. They showed me that being filled with God’s love will show through everything that I do. The restoration that has taken place in my life is beyond my wildest dreams. The empty feeling that I had before is gone. I love being a part of the Mission.”

- Linnette

“I just want to tell you that I have come a long, long way since I first came to the Hope Renewal Center for Women. God has changed my life tremendously. I owe it all to Him because He paid it all for me. God brought me to the Hope Renewal Center for Women so He could save me. I truly believe that.”

- Laura

“I’m not a bad person trying to be good; I was a sick person trying to get well. Word of advice: Take the long road. Don’t come to HGM for a short stay. You got here after years of trouble and that’s what it’s going to take to restructure your life. You have to change. You need to stop thinking what you used to think. Completely change how you look at life, find the good things in life; it’s harder than you think! I used to talk myself into a failure. But to succeed you need to be humble and give in. It was hard for me to be humble because I just got out of jail and you can’t be humble there! I don’t want to get back to what I used to be. It was a dark pit. It was horrible and my family couldn’t do anything for me. They were worried to death about me. They found HGM and I’m not looking back. I’m looking forward to not being afraid or depressed. Before coming here I was on 15 different meds to treat the symptoms but not the problem. I would OD on them because all those meds just shot my memory. This isn’t just a new start; it’s a giant leap forward.”

- Chuck

“Everybody has helped me. It’s hard to single out one person. Clinton, Mike, Bill: they’ve always been there for me and treated me with respect. I just feel comfortable around them. I am teachable now; I can do what they tell me to do. I need people to help me think now so I go to them to see if I can afford to go places and do things that I want to do. I used to think I was on top of the world, but my ego is finally gone.”

- Chuck

“When I first got here the road that I traveled was pretty rough and I got pretty discouraged but God was not letting go. I heard about Hope Gospel on the radio and thought more than once I should come here now I am. The counselors at SLC have helped me slow down and wait on the Lord, and encouraged me to start a prayer journal, which is the best spiritual discipline I have ever had. The staff are all very encouraging and helpful, and I thank the Lord for each of them. Since I have recently been blessed by the Lord with a mentor and a life group both of which I am excited build relationships with. The Wesleyan church has been very supportive, providing rides for us and fellowship.”

- Gregg

“I hope to graduate from the Renewed Hope Program. I’ve seen changes in myself already. This is definitely where I need to be to get my life back on track. I’m glad I came. It took me a while to come but I’m thinking that God knew I wasn’t ready right away. Nobody pushed it. But it got to the point where something’s gotta change.”

- Lori

“There are many things in my life that hold meaning to me and being a part of Hope Gospel will be one of them that I will place near the top! Hope Gospel and all who support it gave me the opportunity to regain my life not only physically (a person that could not support his own body weight upon arrival at Hope), but mentally (a mind that was just tired and burned out), but most importantly spiritually (someone who lost contact with his faith in the Lord and was drifting on a dangerous and an almost certain deadly path in life).

- Cliff

“For four years I was an anxiety filled, depressed, drunkard, living on the streets as a hopeless, helpless, man sauntering through a sorry excuse of a life. After the mission I am a Spirit filled believer anxious to share what both God and Hope Gospel Mission helped me accomplish in my life. I now have a great job, a car, very little debt, money in the bank, a place of my own, 3 years of sobriety in January of 2021, and Christ filled friends ready to help in a moment's notice. How could anyone not want to live this way? I firmly believe that what I experienced was all part of God's providential plan for me on my way to doing whatever I can to Glorify and Edify him.

- Eric
