Hope Gospel Mission's Partners *in* Hope

A Monthly Giving Program for
Partners of Hope Gospel Mission

JOIN THE TEAM and become a Hope Gospel Mission Partners in Hope monthly giving program.

Hope Gospel Mission's **Partners in Hope** is a group of financial partners who choose to give monthly to support the life-changing work of the Mission. Partners in Hope help sustain the work 12 months of the year, especially during periods when giving is typically lower.

Consistent and monthly gifts make budgeting more reliable. This way we know that there will be a dependable cash flow throughout the year. Partners in Hope guarantee that help will always be available for our neighbors in need.

With your continued partnership, we're able to provide men, women, and women with children spiritual support, safety, nourishment, job readiness, counseling and much more!

Enrollment Saves Time & Money

Giving by credit card and electronic funds transfers is secure and convenient. These methods reduce administrative expense and check processing costs so that your gifts can be used more efficiently.
