

Hope Gospel Mission's Life-Changing Programs

Short Stay Program

This 30-day program is intended to help men and women find employment and housing. Men and women in this program receive food, clothing and shelter to meet their basic needs. Individuals are also given an introduction to Renewed Hope, our long-term program, offering additional physical, emotional, mental and spiritual resources needed to pursue their total wellness.

Renewed Hope Program

This long-term program is designed for men and women who want to rebuild their lives and develop a firm and stable foundation for becoming the person God created them to be. An individualized renewal plan is created for each resident focusing on eight areas of wellness: addiction recovery, academic, financial, life and vocational skills, mental health, nutrition and fitness, and spiritual care. The desired goal is to see lives *rescued, rebuilt and renewed*.

Thank You For Caring

Our Vision

"To see the lives of the homeless and needy transformed for the glory of God, so they can be the people that God intended them to be!"

***Lives Rescued,

Hope Gospel Mission's Partners *in* Hope

**A Monthly Giving Program for
Partners of Hope Gospel Mission**

JOIN THE TEAM and become a Hope Gospel Mission Partner in Hope today!

Hope Gospel Mission's **Partners in Hope** is a growing group of financial partners who choose to give monthly to support the life-changing work of the Mission. Partners in Hope helps sustain our work 12 months of the year, especially during periods when giving is typically lower.

Consistent and monthly gifts make our budgeting more reliable. This way we know that there will be a dependable cash flow throughout the year. Our Partners in Hope guarantee that help will always be available for our neighbors in need.

With your continued partnership, we're able to provide men and women with spiritual support, safety, nourishment, job readiness, counseling and much more!

Enrollment Saves Time & Money

Giving by credit card and electronic funds transfers is secure and convenient. These methods reduce administrative expense and check processing costs so that your gifts can be used more efficiently.

Choose which option is best for you:

Selecting this option gives the bank permission to transfer the designated amount from your personal checking or savings account each month.
